PRELIMINARY AMENDMENT

Commissioner for Patents

Sir:

Prior to the examination of the above-referenced application on the merits, Applicants request that drawings 1a, 1b, 2, 3, 4, 5, and 6 be entered into the application.

These drawings were part of the parent application, 09/501,136, now U.S. Patent No. 6,727,084, which was incorporated by reference in its entirety when filing the present divisional application.

A telephone conversation on May 10, 2005 with Ms. Kenya McLaughlin, a Petitions attorney in the PTO Office of Petitions, confirmed our understanding that the drawings should, in fact, have been considered as being part of the originally filed divisional application, given that the drawings were incorporated by reference in that application. Examiner McLaughlin pointed out that the

Application No. 10/803,055
Applicants: Charles GERDAY *et al.*

Notice of Incomplete Provisional Application mailed on March 16, 2005 should never have been issued with regard to the drawings. It is respectfully requested that the aforementioned be confirmed of record and that the application, including the drawings, be given the filing date of March 18, 2004.

If there are any questions regarding this matter, the Examiner is cordially invited to contact the undersigned.

Respectfully submitted,

Date: May 10, 2005
